2015-2016

SCHOOL-WIDE
THEME:

FAILURE

REDEFINED

A Message from Our Leadership

Dear Friends and Supporters,

Thank you for making our 16th school year such a remarkable year! Together, we educated 66 girls in middle school, supported 74 alumnae in high school, and followed our other 123 alumnae as they navigated their way through college and the workforce. Your support helped us raise more than \$1.7 million for these girls and their families. Thank you!

Our theme for the 2015–2016 school year was Failure Redefined. As a school, we worked to interpret failure as an opportunity from which to learn, not a catastrophe from which there is no coming back. Chelsea is a prime example of how this theme came to life. Chelsea joined us last year as a seventh grader reading three years behind grade level and behind the curve in the basic Marian behavior and homework completion expectations. With the support and conviction that a traditional definition of failure was not an option, Chelsea redid assignments, she retook tests, and she got the supports she needed when she didn't understand content. Chelsea

met our staff step for step in the work she was willing to do. By the end of the year, Chelsea was reading on grade level and is setting an example for her classmates in her behavior and work habits. Chelsea redefined failure and her hard work paid off.

With the support of generous donors like you, Chelsea and her Marian sisters accomplished so much during the 2015–2016 school year:

- 17 students made two or more years of reading growth.
- Our eighth grade class scored above the national average in 40 of 48 subcategories of the Iowa Test of Basic Skills. This is a 122% increase from their national average in fifth grade!
- 19 girls graduated from high school and have plans to attend college.
- 20 alumnae participated in paid internships.

As an organization, you also helped us:

- Develop a school-wide philosophy of grading and add a citizenship honor roll to maintain high standards for student work habits and conduct.
- Rewrite curriculum for both social studies and science and identify and implement best practices in STEM education.
- Align the teacher pay scale with our public counterparts to attract and retain quality teachers.
- Expand our recruitment strategies by beginning a parent ambassador program, distributing yard signs to families and volunteers, and speaking at more neighborhood meetings and area schools.
- Strengthen our development process, which allowed us to attract 416 new donors and raise \$450,919 from new supporters.

All of this was possible because of your belief in our mission to break the cycle of poverty by *Educating Girls for Life!* Because of you, we are turning dreams into reality. Thank you for partnering with us to transform the lives of our girls, their families, and the Saint Louis Community!

Sincerely,

Mary Elizabeth Grimes

Invest in Her Future

Marian Middle School families commit to supporting students based on their financial capacity. The typical family pays \$400 annually. However, the actual cost of educating one Marian student is more than \$12,000. It is through the generosity of our donors that we are able to succeed in our mission to break the cycle of poverty by *Educating Girls for Life*.

8TH ANNUAL WOMEN'S EVENT Girls Night Out

Thursday, October 22, 2015
Charles F. Knight Center at Washington University

Presented by: **Mercy**

Keynote Speaker: Maxine Clark, Build-A-Bear

"Girls Night Out is a great networking event for professional women in the Saint Louis community! I was honored to be the keynote speaker at GNO in 2015 because I know the importance of girls' education. I was impressed by the students I met at the event and could tell Marian fosters more than just academic development. Marian Girls are smart, poised, and confident and they have big career dreams. What a great event!"

—Maxine Clark, Founder, Build-A-Bear Workshop

1ST ANNUAL YOUNG FRIENDS BEER TASTING Brewfest

Saturday, November 7, 2015

Hosted by:

"Brewfest was our way to celebrate local Saint Louis beer, local Saint Louis food, and raise money to support Marian at the same time! Our very first Brewfest event was a huge success. It was the most highly-attended Young Friends event to date, and we exceeded our expectations for revenue. We established partnerships with vendors that will continue in the future. But most of all, we threw a great party that everyone enjoyed!"

—Tommy Davidson, Young Friend

15TH ANNUAL GALA

Marian Magic

Saturday, April 16, 2016 • Four Seasons Hotel

Founder's Circle Sponsor: **ASCENSION**
HEALTH

Award of Excellence Honorees: The Bannister Family
and Monsanto Fund

"Marian Magic is one of the best philanthropic events in Saint Louis! The theme and focus of the night is a continuation of what Marian does every day: focus on the young women. It is always fun to engage with the students who talk with guests about their personal experiences. The options for making real financial contributions to the needs of the school and the students are relevant and even fun. And the generosity of the attendees is outstanding; we are always impressed by the final numbers on the Fund-A-Need in particular."

—The Bannister Family

OUR EDUCATION MODEL

- Our **Academic Program** enhances learning by challenging students to apply traditional academic knowledge so they can develop critical thinking, problem solving, leadership, and life skills in preparation for high-performing high schools.
- Our **Enrichment Program** offers students additional opportunities for learning, empowerment, character growth, and leadership development.
- Our **Graduate Support Program** assists alumnae in finding success during their high school and college years by providing academic, social, financial, and career readiness support and by connecting students to internship and job opportunities.
