A Prayer for Marian Girls, from Our Leadership

The following Prayer was written by our Leadership for our Marian Girls in honor of Feast Day. On this special day, we honor Mary, our namesake, and celebrate the virtues and future of Marian Girls. This prayer embodies the potential we see in each and every Marian Girl and the reason we are here tonight.

On this Day, I declare the truth of who you are.

When God breathed His life into you, He put a crown of glory and honor on your head. This crown represents your authority.

It represents God's blessing and favor on your life.

You are a fearless woman of strength and grace.

God's precious gift to the world.

You are the answer to your grandmother's prayers.

You are the reality of your grandfather's dreaming.

You are the breath of your ancestors.

You are the spirit of God.

You are exactly the one needed to restore new passion and promise to the world.

May you live a wholehearted, courageous life that hears first God's voice both around and within you.

May you live with a trust that is deeper and stronger than fear.

May you remember the world needs your voice — your precious, unique, and beautiful voice — so speak with both confidence and humility.

May you hold your past with tenderness and your future with hope, knowing that the Lord is with you in all of it.

May you remember you are extraordinary. There is no one else like you.

Be who you were created to be and let your soul find its truth.

May your life be one of continual prayer, a path of faith, a song of love, and a story of praise for God who adores you and a world that needs you.

In all these things we pray, in Jesus Name.

Amen.

Our Foundresses

Twenty years ago, 14 courageous women of vision, religious sisters and lay women, founded Marian Middle School. At the time, nothing existed to support young girls who were falling through the cracks of the education system. In response, Marian's foundresses boldly imagined an innovative education model to empower girls to flourish — spiritually, academically, socially, emotionally and physically. The beginnings were humble... a rented space that consisted of just one floor, four classrooms, two grades, and four staff.

During Marian Magic, we recall and honor the seven religious congregations and the 14 women who created Marian Middle School.

The Hauck Charitable Foundation

The Hauck Charitable Foundation has been an incredible friend and partner to Marian Middle for over 14 years. During Marian Magic 2021, it is Marian's great honor and privilege to acknowledge this long standing partnership, our shared impact, and the Hauck Charitable Foundation's deep commitment to Marian Girls.

As a believer in the importance of high-quality education, the Hauck Foundation has generously supported Marian Girls as they have advanced through high school and entered college through its support of Marian's Graduate Support Program. In fact, the Hauck Foundation has provided Graduate Support funding for seven graduating classes at Marian, a total of more than 100 Marian Girls who are now creating positive change in the world.

Deja and Ro'Niyah, the featured alumnae speakers at Marian Magic 2021, are examples of the positive impact that the Hauck Foundation has supported in the lives of Marian Girls. The Hauck Foundation's most recent contribution of a five year financial commitment to the Graduate Support Program will continue to empower Marian Girls to become future leaders.

Currently, more than 208 Marian Girls have graduated high school, 45 Marian Girls are pursuing their post-secondary education at universities and colleges across the nation, and 47 Marian Girls are thriving in the workforce. Since 1999 the Boniface Foundation has served as a champion for charitable and educational activities that promote the health and well-being of individuals, as well as the community at-large. Through its support of Marian Middle School, the Boniface Foundation is creating a brighter, more healthy community by supporting a lifetime of success, health, and leadership for Marian Girls.

Over the years, the Boniface Foundation has made major contributions to support the sustainability of Marian Middle School, as well as future graduates through the Graduate Support Program. Most recently, the Boniface Foundation intentionally invested in Marian's future by supporting the development of Marian's 10-year Impact Statement, which guides how Marian will accelerate impact and ensure Marian Girls continue to excel in today's world.

With the support of the Boniface Foundation, Marian Girls are thriving at colleges and universities across the nation including Washington University, Saint Louis University, Maryville University, Dillard University, Howard University, and many more. The Campaign focuses on two primary components — **Capital Improvements** and **Marian's Graduate Support Program**.

Funding for Capital Improvements will significantly improve the life and learning environment within our 80-year old building, while funding our Graduate Support Program, a critical component of ensuring the long-term success of Marian Girls in their academic and career journeys.

We are extremely grateful to the donors that have already made contributions to this effort. Because of your generosity, we have raised over \$4 million dollars to date. Marian has strategically used the time during the pandemic to make great progress on the building improvements.

The Loretto Community supports Marian Middle School in its life-changing and outstanding work.

Loretto salutes Marian Middle School, its students and alums as it celebrates 21 years of “Educating Girls for Life.” Marian was founded in 1999 by seven communities of Catholic sisters, including the Sisters of Loretto. Shown here is Lonjay Hemphill, one of the five Marian Middle School alums now attending Nerinx Hall High School, another St. Louis area school strongly supported by Loretto.
